Dear Members:

I am writing to inform you of the Pension Administrator change within your pension plan. Effective August 1, 2016, after many years of hard work and dedication to the plan, Barbara La Due will be retiring as your Pension Administrator. As this action was forthcoming, the Board of Trustees conducted a search for a new Administrator. After reviewing the resumes of a myriad of various companies and conducting interviews, the Board voted to retain my services through Precision Pension Administration, Inc. I am pleased to announce that my appointment as your new Administrator is effective immediately. I will be working closely with Barbara to ensure a smooth transition period. I am also a retired police officer who understands the needs and concerns of a Police Officer. I come to your plan after many years of practical working experience and education to provide the best possible service to the members.

As part of the transition, the pension office will be moving to 2100 North Florida Mango Road, West Palm Beach, Florida 33409 on or about August 1, 2016. We will be developing a new web site for the plan to increase communication to all our members and access to plan documents. In the near future, you will be able to access any form(s) or plan documents on the plan's web site – <http://www.bbpd.org>.

I look forward to working with you and handling any pension issues that you may have. I would like to wish you a very happy and healthy summer.

Respectfully,
